What does it mean to be an RTO?

There are thousands of Registered Training Organisations (RTOs) across Australia who have gone through a rigorous registration process for the privilege of providing students with nationally recognised training and qualifications.

Whilst RTOs range from private training companies (such as Gray Management Systems), large organisations, industry and professional associations, schools, TAFE and adult community education colleges, they all have to meet nationally recognised standards of quality under the Standards for NVR Registered Training Organisations. Only RTOs can issue nationally recognised qualifications and statements of attainment.

What are Qualifications & Statements of Attainment?

The Australian Qualifications Framework (AQF) defines all nationally recognised qualifications and provides a single framework for all qualifications. Within the Vocational Education Training (VET) sector, the following qualifications can be issued:

- Certificate I
- Certificate II
- Certificate III
- Certificate IV
- Diploma
- Advanced Diploma
- Vocational Graduate Certificate
- Vocational Graduate Diploma

Each qualification is made up of a number of “Units of Competency”. When competency is achieved (by assessment) in the required number of units, a full qualification can be issued.

When competency has been achieved (by assessment) in only one or a number of units of competency, a Statement of Attainment for those units is issued.

To achieve this qualification, students need to complete the above units within a five year timeframe. Consideration will be given to a longer timeframe for those who have been auditing regularly.

There is no particular order in which the individual courses must be completed, except the 2 day Management Systems Auditing course is a pre-requisite for the 3 day Lead Auditor course. Some courses require pre-course exercises and the Lead Auditor course also requires a post course assignment.

To register for any of the courses please visit our websites, complete the registration form and we will send you a confirmation and tax invoice.

We can also conduct courses **on-site** with tailoring to suit your work environment and processes.

We welcome past students who have completed some of the units above to continue their journey with us. **Credit will be given to past students** who currently hold valid qualifications as listed above.

Gray Management Systems is a Registered Training Organisation with the Australian Skills Quality Authority. (RTO 3839)

Competency Based Training & Assessment

Students who are enrolled in training which leads to a Statement of Attainment are required to complete assessments to demonstrate competency. Competency based assessment is the process of gathering evidence to confirm that you can perform the required skills and knowledge outlined in each Unit of Competency.

Assessments you will be expected to complete may include:

- Written Assessments (multiple choice, written answers, etc)
- Oral Assessment (verbal questioning)
- Practical Demonstration, Role Plays / Case Studies and / or similar activities
- Completion of a Student Assessment Record which is to be handed in upon completion

Competency based assessment does not have a marking scale and therefore, you will receive only one of two outcomes:

1. Competent (C): meaning the learner has demonstrated the standard required; and
2. Not Yet Competent (NYC): meaning the learner must undergo further study to meet the required standard.

All assessments are valid, reliable, fair and flexible. We achieve this via validation and moderation of the assessment materials conducted prior to first use and in a biennial review.

Non-Accredited Training

Training companies, both registered and non-registered, can offer non-accredited training which means assessment of competency does not take place at the end of the training session, and a Qualification or Statement of Attainment is not issued. A Certificate of Attendance is usually offered with non-accredited training.

What Non-Accredited Courses Do We Offer?

Non-Accredited Training

Enrolment including USI Number

All students are required to complete a course registration form and then a Student Enrolment form prior to course commencement. The course registration form is available from our website. Once received, we will confirm a place on the course and email back a Student Enrolment form for you to complete. This can be faxed, or scanned & emailed back. Don't forget to quote your USI as described below.

If you are studying nationally recognised training in Australia, you are required to have a Unique Student Identifier (USI). A Unique Student Identifier (USI) is a reference number made up of 10 numbers and letters that give students access to their own USI account. (www.usi.gov.au)

When applying for a job or enrolling in further study, you will often need to provide your training records and results (transcript). One of the main benefits of the USI is the ability to provide you with easy access to your training records and results (transcript) throughout your life.

The USI will be available online and at no cost to you. This USI will stay with you for life and be recorded with any nationally recognised VET course that is undertaken from when the USI came into effect.

To obtain your own USI visit www.usi.gov.au and click on the box that says **CREATE a USI** and follow the prompts. Remember to quote this USI number on your enrolment form.

We are **unable to issue you with a Statement of Attainment** until we receive and verify your USI.

Registrations are processed within 24 hours of being received by Gray Management Systems and your tentative place in the course will be confirmed by way of a confirmation email.

An invoice will be generated and sent to you with your confirmation email and must be paid in full to secure your place in the course. Individual students who pay for the Lead Auditor course themselves do not have to pay until course completion.

Certificates will not be issued until full payment has been received.

If you are applying for RPL, you will be contacted by one of our staff to discuss the process and how it relates to you.

Recognition of Prior Learning (RPL)

Gray Management Systems recognizes and acknowledges that current skills and knowledge can be gained in a number of ways, including formal and informal training, previous work experience (both paid and voluntary) as well as general life experience.

If you feel that you have already gained a required competency, please contact us for the RPL application form.

Strict guidelines apply to the RPL process and you will need to provide evidence of your skills and knowledge. Examples of evidence may include:

- letters of employment / references from current or previous employers / supervisors

We have an RPL procedure and RPL kit that details our RPL process. If you would like to know more about our RPL processes, please contact our Student Advisor (Heather).
